Konecranes Plc's Annual General Meeting on 27 March 2025

Konecranes Plc's (the "Company") annual general meeting 2025 ("General Meeting") will be held on 27 March 2025 as a traditional general meeting in accordance with Chapter 5, Section 16, Subsection 1 of the Finnish Companies Act (624/2006, as amended).

With this form, a shareholder may complete their registration to the General Meeting. Additionally, utilizing this form, a shareholder has the option to cast votes in advance on specific agenda items of the General Meeting. It is advised that a shareholder with a personal Finnish book-entry account or equity savings account, intending to participate in the General Meeting, registers for the General Meeting and votes in advance electronically through the designated registration website found at konecranes.com/agm2025.

Each shareholder registered on the record date of the General Meeting (17 March 2025) in the Company's shareholders' register held by Euroclear Finland Oy, has the right to participate in the General Meeting. When a shareholder's shares are registered in their personal Finnish book-entry account or equity savings account, they are also registered in the Company's shareholders' register. A shareholder who wants to participate in the General Meeting at the meeting venue must register for the General Meeting by filling in the required information on the second page of this form and by signing and dating this form (signatures and dates on the last page).

If a shareholder wishes to vote in advance by filling this form, they are asked to kindly complete the advance voting table on the last page. Voting in advance is not compulsory. Possible advance voting on the basis of this form requires that the shareholder's shares are registered on their personal Finnish book-entry account or equity savings account. The number of possible advance votes is confirmed on the Finnish record date of the General Meeting (17 March 2025) based on the holding in the book-entry account or equity savings account.

I/we understand that if I/we give this form as a representative of a legal person/entity (incl. estate), the legal representative of the legal person/entity or a person authorised by the entity must provide necessary documents to prove the right to represent the entity (e.g. trade register extract or board resolution). Documents are requested to be attached to this form. If the documents are not submitted to Innovatics Oy with the contact details presented below during the registration and advance voting period or they are otherwise incomplete, the legal person's/entity's right to participate in the General Meeting may be denied. In this case, also any possible advance votes might not be counted as cast votes in the General Meeting.

The completed and signed form shall be delivered primarily by e-mail to agm@innovatics.fi or by mail to Innovatics Oy, General Meeting/Konecranes Plc, Ratamestarinkatu 13 A, FI-00520 Helsinki, Finland. Documents must be received at the latest by 20 March 2025 at 4 pm (Finnish time).

Voting in advance using this form

I/We vote in advance with the shares I/we own/represent in each of the items of the agenda of the General Meeting as indicated with a cross (X) below.

- The option "Yes" or "In favour" means that the shareholder is in favour of approving the proposal.
- The option "No" or "Against" means that the shareholder objects to the acceptance of the proposal. By voting in advance it is not possible to submit a counterproposal to the meeting or demand a voting.
 - Advance votes "Against" cannot be cast in items 12, 13 and 16 and 19, where it is not possible to oppose the proposal without making a counterproposal.
- "Abstain from voting" means casting an empty vote and that shares are considered to be represented in the item in question, although the shares are not considered voting in favour or against any proposal. This is meaningful, for example, in resolutions requiring qualified majority, as in qualified majority items all shares represented at the General Meeting are taken into account and abstentions thus have the same effect as votes Against/No. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.

The shareholder's shares are not taken into consideration in an item in question, not considered as shares represented at the General Meeting and not counted as cast votes with regard to the item in question if

- No alternative has been indicated in the specific item below.
- Multiple alternatives have been indicated in the same item.

- Other text or markings other than a cross (X) have been used to indicate advance votes.

In a situation where a shareholder has voted in advance more than once or via more than one voting channel, for example, both electronically and by using this form, the votes cast most recently will prevail.

Unless otherwise notified by the shareholder, the voting instructions are assumed to apply to all shares held by the shareholder.
