The Board of Directors proposes to the General Meeting that the Board of Directors be authorized to decide on the repurchase of the Company's own A or B shares and/or on the acceptance as pledge of the Company's own A or B shares as follows.

The amount of own shares to be repurchased and/or accepted as pledge based on this authorization shall not exceed 6,000,000 shares in total, which corresponds to approximately 7.2 per cent of all of the shares in the Company. The Board of Directors decides how own shares will be repurchased and/or accepted as pledge. Own shares can be repurchased using, *inter alia*, derivatives. Own shares can be repurchased otherwise than in proportion to the shareholdings of the shareholders (directed repurchase).

Own shares can be repurchased and/or accepted as pledge to limit the dilutive effects of share issues carried out in connection with possible acquisitions, to develop the Company's capital structure, to be transferred for financing or realization of possible acquisitions, investments or other arrangements belonging to the Company's business, to pay remuneration to Board members, to be used in incentive arrangements or to be cancelled, provided that the repurchase and/or acceptance as pledge is in the interest of the Company and its shareholders.

The authorization is effective until the end of the next Annual General Meeting, however no longer than until 22 September 2018.

Board of Directors

PROPOSAL BY THE BOARD OF DIRECTORS TO AUTHORIZE THE BOARD OF DIRECTORS TO DECIDE ON A DIRECTED SHARE ISSUE OF A SHARES WITHOUT PAYMENT FOR AN EMPLOYEE SHARE SAVINGS PLAN

The Board of Directors proposes to the General Meeting that the Board of Directors be authorized to decide on a directed issuance of A shares without payment needed for the continuation of the Share Savings Plan that the Annual General Meeting 2012 decided to launch.

The Board of Directors proposes that the General Meeting authorize the Board to decide on the issuance of new A shares or on the transfer of own A shares held by the Company to such participants of the Plan who, according to the terms and conditions of the Plan, are entitled to receive free shares, as well as to decide on the issuance of A shares without payment also to the Company itself. The Board of Directors proposes that the proposed authorization includes a right, within the scope of this Plan, to transfer own A shares currently held by the Company, which have earlier been limited to purposes other than incentive plans. The number of new A shares to be issued or own A shares held by the Company to be transferred may in the aggregate amount to a maximum total of 500,000 shares, which corresponds to approximately 0.6 per cent of all the shares in the Company and 0.8 per cent of all the A shares in the Company.

The Board of Directors considers that there is an especially weighty financial reason for the directed issuance of shares without payment, both for the Company and in regard to the interests of all shareholders, since the Plan is intended to form part of the incentive and commitment program for the Group personnel.

The Board of Directors is entitled to decide on other matters concerning the issuance of shares. The authorization is valid until 22 March 2022. This authorization is in addition to the authorizations in items 16 and 17 above. This authorization replaces the authorization for the Share Savings Plan given by the Annual General Meeting in 2016.
