Roadshows and events

During the quarter, we met investors on a roadshow in Milan with Carnegie, in Paris & London with Nordea and in the US & Canada with DNB. We participated in Carnegie's Nordic Capital Goods seminar in Stockholm and ABGSC's Nordic Spring seminar in London. In addition, we held group investor meetings and discussed with investors on individual 1-1 calls and meetings.

The most frequent discussion topics during the quarter have included: market environment, demand outlook and financial guidance, order book, cost inflation and pricing, Group and Business Area margin development, financial targets, sustainability, cash flow and use of cash, tariffs and port cranes market in the US.

We publish our investor presentation and other presentations used in investor meetings on the [Presentations & Events](#) web page.
