Roadshows and events

During the quarter, we met investors in Helsinki, in New York at the SEB & Nasdaq Nordic Market Day conference, in Paris at the Danske Bank's Nordic Seminar, in London on a roadshow with Nordea and in Stockholm at the Handelsbanken's Nordic Small and Mid-Cap Seminar. Additionally, we held multiple group investor meetings and discussed with investors in individual 1-1 calls and meetings.

We also hosted an investor site visit at our Lift trucks factory in Lingang, China on May 6, 2026. Please see the presentation [here](#).

The most frequent discussion topics during the quarter have been the market environment, demand outlook and financial guidance for 2026, capital allocation, growth and M&A, financial targets, profitability margin development, service business, use of AI, tariffs, port cranes market in the US and the situation in the Middle East.

Our investor presentation and other presentations used in investor meetings are published on the [Presentations & Events](#) web page.
