On the Releases web page, you can also view published Trade Press Releases, which may also include order announcements.

## Roadshows and other events during the quarter

During the quarter, we met investors on roadshows in Geneva and Zurich with Carnegie. We participated in Goldman Sachs Industrials Conference 2023 in London. In addition, we held group investor meetings hosted by analysts and discussed with investors on individual 1-1 calls and meetings.

We also hosted a Finnish institutional investor group at our Lift trucks factory in Lingang, China. You can find the ppt presentation from the event [here](#). We publish our investor presentation and other presentations used in investor meetings on [Presentations & Events webpage](#).

During the quarter, the most frequent discussion topics have included: updated strategy and new financial targets presented at the CMD, market environment, demand outlook and financial guidance, sustainability, order book and delivery capability, cost inflation and pricing, and Group and segment margin development.
