On the Releases web page, you can also view published Trade Press Releases, which may also include order announcements.

Roadshows and events

During the quarter, we participated in Danske Bank's Winter Seminar in Copenhagen and Goldman Sachs' Annual Industrials Week in London. Additionally, we attended Nordea's virtual Capital Goods Week event, and DNB Carnegie's Capital Goods Bus Tour hybrid event.

We also met investors on a roadshow in London with DNB Carnegie, in Canada and the US with Danske Bank, and in Oslo with SEB. In addition, we held group investor meetings and discussed with investors on individual 1-1 calls and meetings.

On November 5, Konecranes participated in a retail investor focused online event organized by the Finnish Shareholders Association (Suomen Osakesäästäjät ry). Linda Häkkilä, VP, Investor Relations, presented Konecranes as an investment.

On November 26, Konecranes participated in Sijoittaja 2025 -event, a retail investor focused event in Helsinki. In addition to meeting investors at our booth, Linda Häkkilä, VP, Investor Relations, presented Konecranes as an investment to a full room. View the recording [here](#) (in Finnish). Thank you to everyone who visited our booth!

The most frequent discussion topics during the quarter have been the market environment, demand outlook and financial guidance, capital allocation and growth, financial targets, Group and Business Area margin development, tariffs and port cranes market in the US, sustainability, and cost inflation and pricing.

We publish our investor presentation and other presentations used in investor meetings on the [Presentations & Events](#) web page.
